Set in 9/10pt Ehrhardt

Printed in Great Britain
at the Dorset Press, Dorchester

Contents

NUMBER 1, JANUARY 1990

1 *A. Watts & R. C. Paterson:* Detection of bacteria in histological sections of the dental pulp

13 *A. Wennberg & D. Ørstavik:* Adhesion of root canal sealers to bovine dentine and gutta-percha

20 *N. Ando & E. Hoshino:* Predominant obligate anaerobes invading the deep layers of root canal dentine

28 *W. P. Saunders & E. M. Saunders:* Assessment of leakage in the restored pulp chamber of endodontically treated multirooted teeth

34 *S. A. Manning:* Root canal anatomy of mandibular second molars. Part I

40 *S. A. Manning:* Root canal anatomy of mandibular second molars. Part II, C-shaped canals

46 *B. Sonat, D. Dalat & O. Günhan:* Periapical tissue reaction to root fillings with Sealapex

53 Abstracts of research papers and posters presented at the Fourth Congress of the European Society of Endodontology, 16–18 November 1989, held in Amsterdam, The Netherlands

67 Book reviews

69 Endodontic news

75 Calendar of events

NUMBER 2, MARCH 1990

77 *A. H. R. Rowe & T. R. Pitt Ford:* The assessment of pulpal vitality

84 *D. Arenholt-Bindslev & H. Bleeg:* Characterization of two types of human oral fibroblast with a potential application to cellular toxicity studies: tooth pulp fibroblasts and buccal mucosa fibroblasts

92 *S. D. Meryon & S. G. Johnson:* Stimulation of the growth of *Streptococcus sanguis* (NCTC 7864) by zinc *in vitro*

97 *N. P. Chandler & G. P. Bloxham:* Effect of gloves on tactile discrimination using an endodontic model

100 *T. Kobayashi, A. Hayashi, R. Yoshikawa, K. Okuda & K. Hara:* The microbial flora from root canals and periodontal pockets of non-vital teeth associated with advanced periodontitis

107 *Y. R. Woo, R. W. Wassell & P. C. Foreman:* Evaluation of sealing properties of 70°C thermoplasticized gutta-percha used as a retrograde root filling

113 *A. Molander, C. Reit & G. Dahlén:* Microbiological evaluation of clindamycin as a root canal dressing in teeth with apical periodontitis
